Additional Services

Additional Party Members £75

Having more than four individuals requiring makeup services? No issue! I can comfortably complete eight makeup applications in the morning, but depending on the time of the ceremony, I may be able to do more. If necessary, I can locate a second makeup artist to assist me, which is no problem at all. I want to ensure that everyone feels included and accommodated.

Bridal Preview

A makeup preview allows us to assess the durability of your chosen makeup and test products to determine how they react with your skin type. This preview enables us to meticulously evaluate each aspect of your makeup to ensure that it aligns perfectly with your expectations for your special day. Typically, makeup previews are scheduled 1-2 months prior to the wedding date. Additional previews can be arranged at a reduced cost
